THE RESIDENCE

A modern home built around light

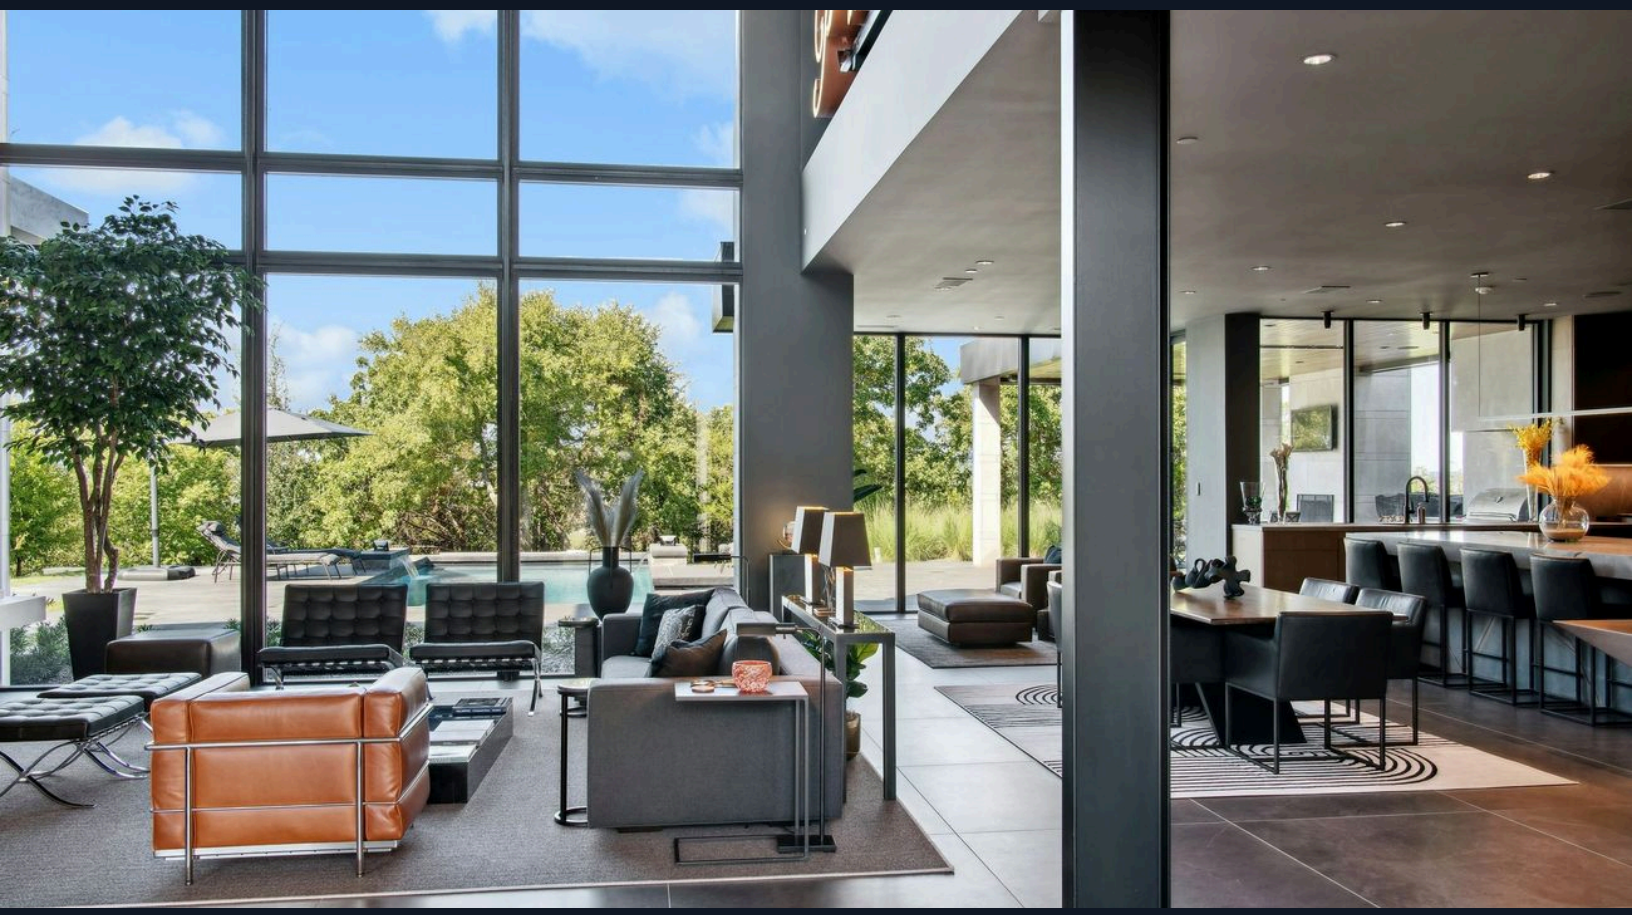

Set among mature trees, this modern home is built from glass, stone and warm wood. A double-height great room opens through walls of glass to the pool terrace, and the kitchen is planned around a marble island with seating for five, wood millwork and a floating stair.

A fireplace lounge with room for a grand piano sits beside the dining area. Upstairs, a gallery landing with a library wall leads to the bedrooms. The primary suite has a window wall to the garden and a bath with a double vanity and a glass shower.

Outside, a lit pool, a roof deck and planted terraces make the most of long summer evenings. Five bedrooms, five and a half baths and 6,240 sq ft on 0.62 acre, with a three-car garage. Call Morgan Reyes for a private viewing.
